Welcome to the 2026 Country Swimming Championships

Welcome to Darwin

On behalf of the Board of Swimming Northern Territory, it is my great pleasure to welcome you to the 5th Annual Country Swimming Championships. Racing will be held at Parap Pool from Monday 28 September to Friday 2 October 2026, followed by the Top End Open Water Team Relay at the Darwin Waterfront on Saturday 3 October 2026.

A warm Territory welcome to every swimmer, coach, team manager, technical official, volunteer and family member who has travelled from across Australia. We appreciate both the financial and time commitment required to attend and are delighted that you have chosen to compete, connect and create lasting memories in the Top End.

Darwin conditions can be warm and humid. Please seek shade, use sun protection, remain well hydrated and look out for one another throughout the week. The humidity here is different to the rest of Australia, so please make sure you care for yourself, your loved ones and your fellow competitors.

These Championships are made possible through the support of our partners. We sincerely thank the Northern Territory Government, the City of Darwin, McDonald's and Team Elite for their contribution to swimming in the Northern Territory and to this event.

To our volunteers and technical officials: thank you for the professionalism, time and care you bring to every session. To our clubs, coaches, team managers and families: thank you for everything you do to get swimmers to the blocks and ready to race.

Darwin is a remarkable place to visit. We encourage you to enjoy its culture, markets, waterfront and Top End experiences, while reserving your swimming for supervised venues and organised events.

To every swimmer: race with courage, respect your competitors and officials, and enjoy every opportunity that these Championships provide.

Have a wonderful week in Darwin, and good luck!

Mark Edwards

Swimming Northern Territory

Country Championships 2026

Welcome to the 2026 Country Swimming Championships.

There is nothing quite like this meet or this place. The Northern Territory's people, culture and landscape make the Top End an unforgettable setting for racing. Swimming Northern Territory has worked extremely hard to again design a festival of swimming for athletes, coaches, team managers, technical officials, volunteers and families, that make this a fun, competitive and memory-building experience, not just a swim meet.

While you are here, make time to explore Darwin. Parap Markets operate on Saturday close to the pool, and Mindil Beach Sunset Market is a memorable way to experience the city on both Thursday and Sunday nights. The Darwin Waterfront, East Point, Crocosaurus Cove and the region's national parks also offer plenty to discover. We implore you to visit the NT while you are here; there are some incredible locations that are just unique to this beautiful part of the country.

The program begins on Sunday 27 September with the Phoenix Foundation JX Clinic for swimmers aged 9-13 and a Senior Swimmer Clinic for swimmers aged 14 and over. We have the support of 2 former World Record holders and World Champions in Jade Edmistone, with her OnCore Academy and Kiah Melverton, providing an athlete talk and a Beyond the Black Line presentation during the Senior Swimmer Clinic. Technical official training will also be held on Monday 28 September from 9:00am to 2:00pm before racing commences that evening.

We at Swimming NT are all about opportunity and providing an environment where swimmers can thrive, have fun and make new friends. As such, we take great pride in offering relay swims to those that are not able to participate in a club relay. Click on the link in this program to register and we will do our best to fit everyone into a relay with some new friends from around the country.

Pool competition runs at Parap Pool from Monday 28 September to Friday 2 October 2026. We also invite you to join the Top End Open Water Team Relay at the Darwin Waterfront on Saturday 3 October.

This program contains the key information needed at the venue. If you require assistance, visit the Help Desk or speak with a Swimming Northern Territory representative. Please stay hydrated, seek shade and look after one another.

On behalf of Swimming Northern Territory, I wish every participant the very best. Be proud of your efforts, support your teammates and enjoy the racing.

NATIONAL INTEGRITY FRAMEWORK

WHAT IS THE NATIONAL INTEGRITY FRAMEWORK?

The National Integrity Framework is a suite of policies which sets out rules for unacceptable behaviour in your sport and explains the way Complaints about breaches of these rules are managed.

The Framework was developed by the independent government agency Sport Integrity Australia in consultation with sports to keep your sport safe and fair.

The Framework is a set of rules that all members of your sport need to follow when it comes to their behaviour and conduct in your sport.

There are four core policies which make up the National Integrity Framework. These are:

1. Safeguarding Children and Young People Policy
2. Member Protection Policy
3. Competition Manipulation and Sports Gambling Policy
4. Improper Use of Drugs and Medicines Policy

These policies outline what types of behaviour are unacceptable in your sport – these behaviours are called Prohibited Conduct. Prohibited Conduct is an action that is a breach of a policy – for example, bullying is Prohibited Conduct under the Member Protection Policy.

These core policies are underpinned by the Complaints, Disputes and Discipline Policy.

The Complaints, Disputes and Disciplines Policy explains how people who have breached a National Integrity Framework policy are held accountable for doing the wrong thing.

Under this policy, any person or organisation who breaches a policy may be sanctioned. A sanction could range from mandatory education all the way up to a ban from participating in sport.

Under the National Integrity Framework, Sport Integrity Australia can manage all Complaints about discrimination, or any behaviour which might be considered Prohibited Conduct under the Safeguarding Children and Young People Policy.

This means that the majority of Complaints under the National Integrity Framework, including the highest risk and most complex Complaints, will be handled independent of the sport where they occurred.

All other Complaints under the National Integrity Framework can be made to your sport, who will handle these Complaints under the Complaints, Disputes and Discipline Policy.

This means, whether a Complaint is handled by Sport Integrity Australia or your sport, there is a consistent process for handling Complaints.

What does it mean for me?

As a member of a sport that has signed up to the National Integrity Framework, if someone behaves poorly by breaching one of the Policies, you can make a Complaint about the breach.

WWW.SPORTINTEGRITY.GOV.AU

If the Complaint is about Safeguarding Children and Young People or Discrimination, you can make the Complaint to Sport Integrity Australia. All other Complaints can be made to your sport.

If the person is found to have breached a policy, they may be sanctioned. Similarly, if you breach a National Integrity Framework policy, you could be sanctioned.

Issues to Report to Sport Integrity Australia

Anything that may constitute Prohibited Conduct under the **Safeguarding Children and Young People Policy**, or that may constitute **discrimination** based on a protected characteristic, should be reported to Sport Integrity Australia.

This includes conduct such as:

- Misconduct with a child or young person
- Sexual behaviour with or around a child or young person
- Shaming, humiliating, intimidating or belittling a child or young person
- Causing a child or young person physical pain or discomfort
- Breaching the Children and Young People Safe Practices
- Supplying of drugs or alcohol to a child or young person
- Discrimination based on:
 - race or ethnicity
 - age
 - disability
 - sex or sexual orientation
 - religion
- Doping (managed under the sport's Anti-Doping Policy)

You can also report any Prohibited Conduct under the Member Protection policy, **if it involves a child or young person**.

To report Prohibited Conduct, visit [Making an Integrity Complaint or Report](#).

Issues to Report to your sport

Your sport will manage complaints on all other National Integrity Framework matters, as well as continuing to manage complaints on non-NIF issues.

This includes conduct such as:

- Abuse between adults
- Bullying between adults
- Harassment between adults
- Victimisation of an adult
- Sexual Misconduct between adults
- Match, race or competition fixing and other types of Competition Manipulation
- Supplying inside information for the purposes of gambling
- Betting by members on their own sport
- Unlawful use of over the counter or prescription drugs
- Inappropriate use or provision of supplements
- Use, possession or trafficking of illegal drugs
- Concealing information about Prohibited Conduct
- Selection and eligibility disputes
- Competition Rules disputes
- Code of Conduct breaches
- Social Media Policy breaches
- Governance misconduct
- Employment disputes
- Complaints that are solely a Personal Grievance
- Whistleblower disclosures
- Any conduct that occurred before your sports commencement date
- Any other policies that your sport has

To report any of the above, contact your sport.

We appreciate that teams are small here for the 2026 Country Swimming Championships and have made the decision to only have 1 timekeeper per lane as a backup for the Automatic Officiating Equipment (AOE) – touchpads. If you are unable to fulfil your allocated timekeeping roster, could you please let us know ASAP. Thank you for your assistance.

Additionally, given the 2026 Country Swimming Championships are being conducted during the work week, it would be fantastic if we could have volunteers from the spectators to assist to ensure that all lanes are covered and that all swimmers get an equal and fair chance of receiving their time.

Thank you in advance to ALL timekeepers for your contribution.

Time Keepers

Swimming Northern Territory and the swimmers thank you for generously volunteering your time during the 2026 Country Swimming Championships.

Please sign in using the QR Code prior to the first Event of the Session, or before the preceding timekeeper leaves the role.

Pool Protocols

Timekeeping is an important role to ensure each swimmer gets a time for their swim. We please ask that whilst undertaking your timekeeper duties you focus on the job at hand and ensure all swimmers have that equal opportunity.

At **Parap Pool** timekeepers are still required use a stopwatch as a backup for the Quantum system.

Timekeepers will start their manual stopwatch when they see the flash of light or sound from the starting device. It is the timekeeper's responsibility to position themselves for each start so that they have unobstructed view of the starting device. There is no other device to start.

Timekeepers will all please move forward together as the lead swimmer of the heat in the water is at the 15m mark (false start rope – the change in the lane rope colour) on the last lap of the event. This is regardless of where your swimmer is in the pool. **Please avoid putting your feet on the black top of the touch pads.**

Red plungers and the manual stopwatch need to be pressed at the instance any part of the swimmer's body contacts the finish wall. **When you have taken the time for the swimmer in your lane, you should return to your chair in readiness for the next race and write the manual time on your lane sheet.** This time may need to be collected by a technical official if there is an issue with the time provided by the touchpad and/or plunger.

There is no need to stand if you do not have a swimmer in your lane. If you do not, please note that on your lane sheet.

Most swimmers want to know the time they have achieved as soon as they finish the race. You can refer them to the official results area to check their times.

Please do not talk to the swimmers unless they address you first. All swimmers are different, and some may not like their focus disrupted.

PLEASE NOTE: there are no mobile phones to be used on pool deck for phone calls, or as a camera and if you are carrying a phone, please ensure it is on silent only. If you are expecting an urgent call, or need to leave pool deck for any reason, please try to organise a replacement for your position, or please advise the Chief Timekeeper.

SUPPLEMENT RISKS

KNOW THE RULES.
KNOW THE RISKS.

- Unlike medications, supplements are not well regulated in Australia.
- Research from 2016 found that 1 in 5 supplements sold in Australia contained a banned substance in sport. None of them listed the banned ingredient on the label.
- Danger! Some were found to contain harmful ingredients.
- Don't get your advice from advertising or other athletes: sports dietitians and doctors are the real experts.

ANTI-DOPING IS YOUR RESPONSIBILITY

Medications may have banned substances in them. Check all medications on the Sport Integrity App.

As a member of your sport, you are bound by an Anti-Doping Policy and potentially subject to investigation.

If you are involved in a team sport, and an athlete tests positive to a banned substance, the team could lose competition points and championship placings.

All athletes are responsible for what substances they put into their own bodies - they can't blame anyone else, however if a coach has supplied the substance, penalties also apply to the coach.

There are rules that you and your athletes must follow under your sport's Anti-Doping Policy. Details are in the Sport Integrity App menu under 'Know the rules'.

Breaking the rules could result in a ban of up to four years from ALL sport - no training, no playing, no coaching.

Learn more about the sample collection process via our Virtual Reality anti-doping test experience. Found in the menu of the Sport Integrity App under 'Tools'.

Supplements are a huge risks. Research shows 1 in 5 contain a banned substance not listed on the label. Find low risk supplements on the Sport Integrity App. If it's not listed, don't risk it.

Anti-doping education should not be a 'tick the box' exercise - it should be an ongoing conversation with your athletes.
