Country Championships 2025

Welcome to the 2025 Country Swimming Championships

Welcome to Darwin

On behalf of the Board of Swimming Northern Territory, it's my great pleasure to welcome you to the 4th Annual Country Swimming Championships at Parap Pool (27–30 September 2025), followed by the Top End Open Water Teams Challenge at the Darwin Waterfront (1 October 2025).

A warm Territory welcome to all visiting swimmers, coaches, team managers, officials and families who have travelled from across Australia – your commitment to creating opportunities and memories for young people is deeply appreciated, especially amid ongoing cost-of-living pressures. We're thrilled you've chosen to compete in the Top End and experience our unique community spirit.

Please take care in our warm conditions: seek shade, slip–slop–slap, and stay well-hydrated. You'll find a handy heat and hydration guide inside this program to help you enjoy a safe and successful meet.

This event is made possible through the generosity and support of our partners. Sincere thanks to the Northern Territory Government, specifically through the Department of People, Sport & Culture, City of Darwin, Team Elite, McDonald's, and Hudson Parap Apartments, as our main accommodation provider. Your commitment to swimming in the NT – and to regional athletes in particular – helps our sport thrive.

To our volunteers and technical officials: you are the heartbeat of these championships. Thank you for your professionalism, time and tireless effort across pool deck and open water. To our clubs, coaches and parents: thank you for everything you do behind the scenes to get swimmers on the blocks and to the start line.

There's nowhere quite like Darwin – rich in culture, nature and Top End charm. We invite you to explore it all, and to do so safely by reserving your swimming for the competition pool; our waterways can host some formidable locals. Visit our tourism partners – Crocosaurus Cove, Darwin Harbour Cruises, Wildlands Wetland Safaris and Ethical Adventures – or take a day trip to the wonders of Kakadu and Katherine, and the unforgettable Adelaide River Cruises. Don't miss the Parap Markets each Saturday, and the legendary Mindil Beach Markets on Thursday or Sunday, where you'll find world-class sunsets and a feast of global flavours.

Finally, to every swimmer: race bravely, respect your competitors and enjoy every moment – both in the pool at Parap and out in the blue at the Waterfront.

Have a fantastic week in Darwin, and good luck!

Country Championships 2025

Welcome to the 2025 Country Swimming Championships.

There's nothing quite like this meet—or this place. The Northern Territory's culture, landscapes and people make the Top End an unforgettable stage for racing. Our team at Swimming Northern Territory has worked hard to build a true festival of swimming that creates memorable opportunities for swimmers, coaches, team managers, technical officials and families alike.

While you're here, make time to explore. Parap Markets run every Saturday just around the corner from the pool, and the world-famous Mindil Beach Markets light up Thursday and Sunday evenings with sunsets you'll talk about for years. For adventure, check out Crocosaurus Cove, the WWII Oil Tunnels, East Point, and the Darwin Waterfront. If you can venture further, Litchfield National Park, the Adelaide River Jumping Crocs, and Jabiru—gateway to Kakadu National Park—are all within striking distance.

We've also stacked the week with development opportunities around the championships. On Friday 26th September, join the Pho3nix Foundation JX clinic, the Senior Swimmers Clinic, and our Technical Official Training Day. And don't forget our legendary dance-off in Session 5 on Monday 28 September – it's become a Country Champs tradition for a reason! This year, we will be busting out the dance to Ghostbusters!!

Competition runs at Parap Pool from Saturday 27 to Tuesday 30 September 2025, and we invite you to stick around for the Top End Open Water Teams Challenge at the Darwin Waterfront on Wednesday 1 October—a fantastic chance to experience open water racing in the NT in the safest environment, with a beautiful backdrop in the mornings.

This program contains everything you need to know, but if questions pop up, please visit the help desk or ask for me or Jane from Swimming NT – we're happy to help. Finally, the weather can be warm: stay hydrated, seek shade and look after one another.

On behalf of Swimming Northern Territory, I wish every participant the very best. Enjoy the racing, be proud of your efforts, and have fun!

NATIONAL INTEGRITY FRAMEWORK

WHAT IS THE NATIONAL INTEGRITY FRAMEWORK?

The National Integrity Framework is a suite of policies which sets out rules for unacceptable behaviour in your sport and explains the way Complaints about breaches of these rules are managed.

The Framework was developed by the independent government agency Sport Integrity Australia in consultation with sports to keep your sport safe and fair.

The Framework is a set of rules that all members of your sport need to follow when it comes to their behaviour and conduct in your sport.

There are four core policies which make up the National Integrity Framework. These are:

1. Safeguarding Children and Young People Policy
2. Member Protection Policy
3. Competition Manipulation and Sports Gambling Policy
4. Improper Use of Drugs and Medicines Policy

These policies outline what types of behaviour are unacceptable in your sport – these behaviours are called Prohibited Conduct. Prohibited Conduct is an action that is a breach of a policy – for example, bullying is Prohibited Conduct under the Member Protection Policy.

These core policies are underpinned by the Complaints, Disputes and Discipline Policy.

The Complaints, Disputes and Disciplines Policy explains how people who have breached a National Integrity Framework policy are held accountable for doing the wrong thing.

Under this policy, any person or organisation who breaches a policy may be sanctioned. A sanction could range from mandatory education all the way up to a ban from participating in sport.

Under the National Integrity Framework, Sport Integrity Australia can manage all Complaints about discrimination, or any behaviour which might be considered Prohibited Conduct under the Safeguarding Children and Young People Policy.

This means that the majority of Complaints under the National Integrity Framework, including the highest risk and most complex Complaints, will be handled independent of the sport where they occurred.

All other Complaints under the National Integrity Framework can be made to your sport, who will handle these Complaints under the Complaints, Disputes and Discipline Policy.

This means, whether a Complaint is handled by Sport Integrity Australia or your sport, there is a consistent process for handling Complaints.

What does it mean for me?

As a member of a sport that has signed up to the National Integrity Framework, if someone behaves poorly by breaching one of the Policies, you can make a Complaint about the breach.

WWW.SPORTINTEGRITY.GOV.AU

If the Complaint is about Safeguarding Children and Young People or Discrimination, you can make the Complaint to Sport Integrity Australia. All other Complaints can be made to your sport.

If the person is found to have breached a policy, they may be sanctioned. Similarly, if you breach a National Integrity Framework policy, you could be sanctioned.

Issues to Report to Sport Integrity Australia

Anything that may constitute Prohibited Conduct under the **Safeguarding Children and Young People Policy**, or that may constitute **discrimination** based on a protected characteristic, should be reported to Sport Integrity Australia.

This includes conduct such as:

- Misconduct with a child or young person
- Sexual behaviour with or around a child or young person
- Shaming, humiliating, intimidating or belittling a child or young person
- Causing a child or young person physical pain or discomfort
- Breaching the Children and Young People Safe Practices
- Supplying of drugs or alcohol to a child or young person
- Discrimination based on:
 - race or ethnicity
 - age
 - disability
 - sex or sexual orientation
 - religion
- Doping (managed under the sport's Anti-Doping Policy)

You can also report any Prohibited Conduct under the Member Protection policy, **if it involves a child or young person**.

To report Prohibited Conduct, visit [Making an Integrity Complaint or Report](#).

Issues to Report to your sport

Your sport will manage complaints on all other National Integrity Framework matters, as well as continuing to manage complaints on non-NIF issues.

This includes conduct such as:

- Abuse between adults
- Bullying between adults
- Harassment between adults
- Victimisation of an adult
- Sexual Misconduct between adults
- Match, race or competition fixing and other types of Competition Manipulation
- Supplying inside information for the purposes of gambling
- Betting by members on their own sport
- Unlawful use of over the counter or prescription drugs
- Inappropriate use or provision of supplements
- Use, possession or trafficking of illegal drugs
- Concealing information about Prohibited Conduct
- Selection and eligibility disputes
- Competition Rules disputes
- Code of Conduct breaches
- Social Media Policy breaches
- Governance misconduct
- Employment disputes
- Complaints that are solely a Personal Grievance
- Whistleblower disclosures
- Any conduct that occurred before your sports commencement date
- Any other policies that your sport has

To report any of the above, contact your sport.

Time Keepers

Swimming Northern Territory and the swimmers thank you for generously volunteering your time during the 2025 Country Swimming Championships.

Please sign in using the QR Code prior to the first Event of the Session, or before the preceding timekeeper leaves the role.

Pool Protocols

Timekeeping is an important role to ensure each swimmer gets a time for their swim. We please ask that whilst undertaking your timekeeper duties you focus on the job at hand and ensure all swimmers have that equal opportunity.

At **Parap Pool** timekeepers are still required use a stopwatch as a backup for the Quantum system.

Timekeepers will start their manual stopwatch when they see the flash of light or sound from the starting device. It is the timekeeper's responsibility to position themselves for each start so that they have unobstructed view of the starting device. There is no other device to start.

Timekeepers will all please move forward together as the lead swimmer of the heat in the water is at the 15m mark (false start rope – the change in the lane rope colour) on the last lap of the event. This is regardless of where your swimmer is in the pool. **Please avoid putting your feet on the black top of the touch pads.**

Red plungers and the manual stopwatch need to be pressed at the instance any part of the swimmer's body contacts the finish wall. **When you have taken the time for the swimmer in your lane, you should return to your chair in readiness for the next race and write the manual time on your lane sheet.** This time may need to be collected by a technical official if there is an issue with the time provided by the touchpad and/or plunger.

There is no need to stand if you do not have a swimmer in your lane. If you do not, please note that on your lane sheet.

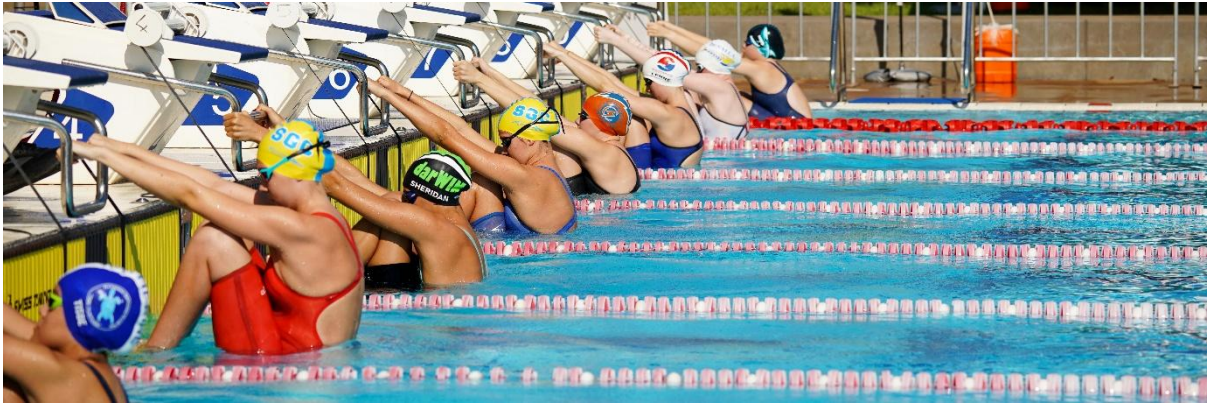

Most swimmers want to know the time they have achieved as soon as they finish the race. You can refer them to the official results area to check their times.

Please do not talk to the swimmers unless they address you first. All swimmers are different, and some may not like their focus disrupted.

PLEASE NOTE: there are no mobile phones to be used on pool deck for phone calls, or as a camera and if you are carrying a phone, please ensure it is on silent only. If you are expecting an urgent call, or need to leave pool deck for any reason, please try to organise a replacement for your position, or please advise the Chief Timekeeper.
