4. Continuation of 25yrs & over Events

We are excited to announce the continuation of the 25yrs & over category again this year, following the success at last year's Country Swimming Championship. This age group has revised qualifying times and is eligible for separate finals and medals, as outlined in item 7, 14 and 25 below.

6. Regional Swimmers & Metro Swimmers

This year, Swimming Northern Territory is extending an invitation to all swimmers across the country, while maintaining a country focus throughout these Championships.

SNT will do this by classifying all swimmers from metro-based clubs as visitors, with country swimmers still having unfettered access to finals and B-finals. SNT is also altering the structure of B-finals to accommodate the additional metro based swimmers.

A-finals will have a maximum of 3 visitors, while B-finals will have a maximum of 5 visitors. Additionally, we will be expanding B-final age categories to 11-13yrs, 14-15yrs and 16yrs+, giving more opportunities for swimmers to compete in either A or B finals this year.

15. Multiclass

Multi Class events are open to all eligible age group swimmers with a disability in sport classes 1 - 19.

Swimmers with a SM3 or SM4 classification may contest the 200m Individual Medley as a 150m Individual Medley.

16. Masters Swimmers

Swimming is a sport for life and SNT happily promote the opportunity for Masters swimmers to compete in this wonderful event. The 25yrs and over bracket (for qualifying times only) will allow Masters Swimmers the opportunity to participate in this great event, possibly even with your children.

Qualifying times exist, however, swimmers will need to qualify for the finals as outlined in the program of events outlined in item 8 (Heats & Finals), depending on the event.

Masters specific finals will occur in all 50m events and the 100m Freestyle, where the minimum entry requirements allow. However, swimmers may compete in all events provided QT's are met and may still qualify for finals in the 16yrs & over category for all 100m form stroke events and all 200m events.

17. Relay Entries

Club relay teams may enter with a 'No Time'.

Relay changes must be made on the official Relay Change form which will be via a QR code and submitted within 15 minutes of the completion of the session **prior** to that in which the relay is to be held. Swimmers must swim in the order shown on the form submitted. Relay changes for the first session close at the commencement of the warm-up of Session 1.

Unless changes have been submitted as above, swimmers must swim in the order as published.

Additional relay teams (mixed club teams) may be put together by either Team Managers from the interested teams, or by the event organiser for exhibition purposes. This option is only available to swimmers from clubs with 6 or less participants in the meet and ONLY, at the Meet Director's discretion. Such teams will swim for no points and may be placed in the program as exhibition teams only. Submissions for such exhibition relay teams must be made in accordance with the timeframe for relay changes set out above. These mixed teams will be provided an entry option following individual entry closures.

Event organisers will reach out to swimmers that meet the criteria upon close of entries in order to compile teams.

All finals will be marshalled in the marshalling area.

Any swimmer entered in the first or second event of the final's session, who fails to report to the marshalling area at least 5 minutes prior to the scheduled start of the session, will be deemed to be a withdrawal and a reserve will be installed into the final.

For all subsequent finals, any swimmer who fails to report by the start of the event, at least two finals prior to their event will be deemed as a withdrawal.

Both reserves are required to attend marshalling.

21. Swimmer Check-in – Distance Events

If an event is reseeded, it will be announced by the announcer as early as possible.

Confirmed swimmers should then follow the usual self-marshalling procedures.

22. Lap Counters

Swimmers competing in the 400m, 800m and 1500m Freestyle events **MUST** provide details of their lap counter whilst checking in. Swimmers will not be able to check-in without confirmation of an organised lap counter.

A swimmer who does not withdraw, and who does not compete in the final of the event, shall be deemed a late withdrawal and fined the sum of \$100 AUD which must be paid before the swimmer is eligible to swim their next event, except where a medical certificate is provided.
